### Reservations and Commissions

Great Golf Courses of Australia can assist you with booking golf tee times at any course in the collective. We provide a NETT rate to operators and will secure the tee times and confirm directly with the operator. The operator will be issued with one invoice for all their golf requirements.

Terms and conditions regarding availability and dress code apply at all golf courses. Some private courses will require a letter of introduction and

proof of handicap from the golfer's home club. The tour operator will be required to provide this upon booking to confirm the reservation.

### Custom Itineraries

Great Golf Courses can assist with creating custom itineraries and special experiences for your clients. We have close relationships with leading luxury product around Australia and can recommend and provide introductions for you to a partner DMC or ITO. Please remember we only book golf – all accommodation, transfers and internal flights are the responsibility of the tour operator.

### Golf Carts

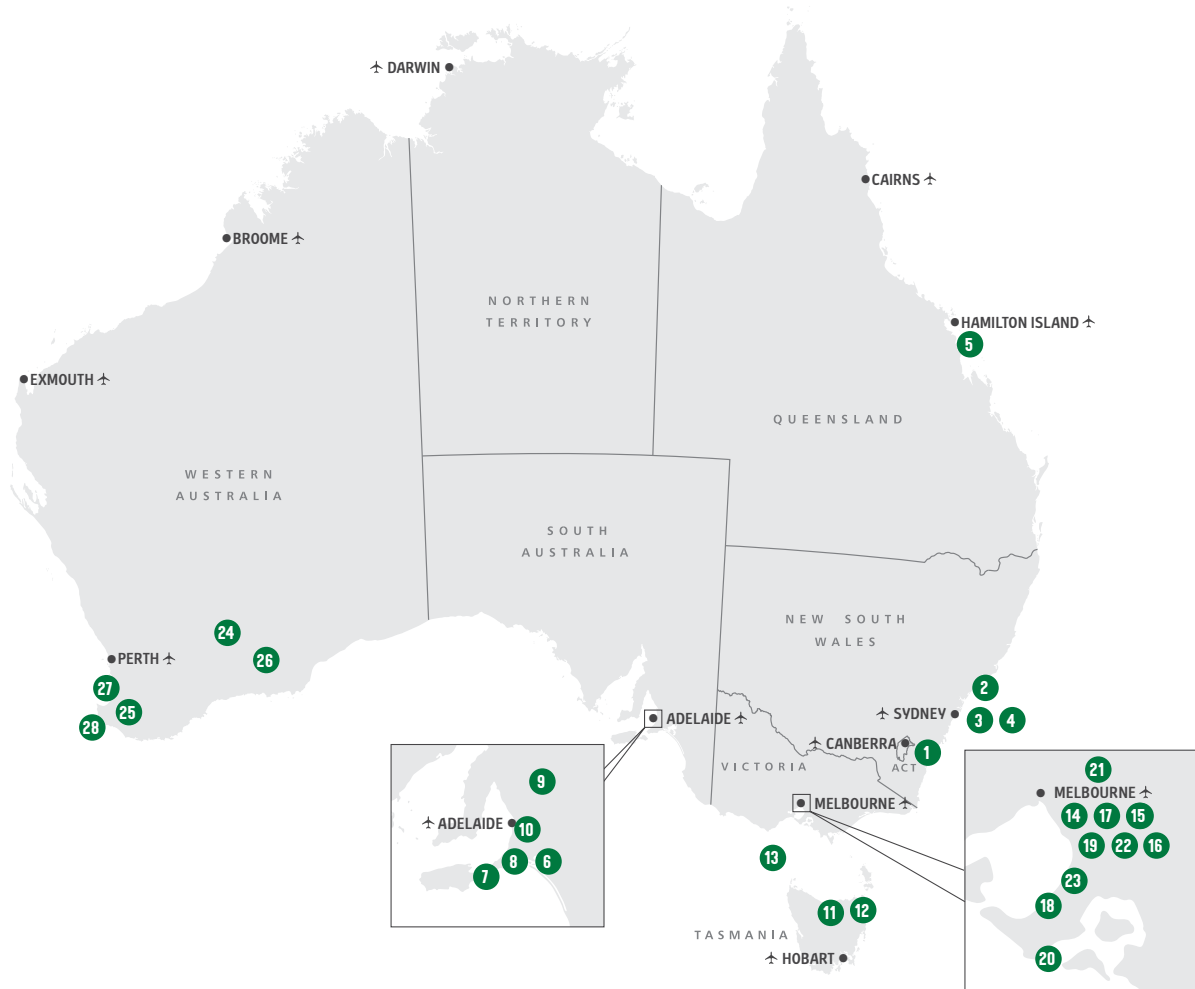

Golf Tour operators should be aware that many of the top courses in Australia do not allow drive carts on the course – they are walking courses only. Carts can be arranged for anyone with a physical disability that is unable to walk the entire course. Please note that this is at an additional cost.

### Pull buggies and hire clubs

Pull buggies and hire clubs are available at all golf courses. They may be subject to an additional charge.

### Caddies

If your guests would like a caddie, please enquire about the availability of this service with our reservations team. Not all of the Great Golf Courses will have caddies available for guest golfers.
